President's Report March 2022

Welcome back to the Rottweiler Review!

As one year ends and another begins, I think we all have our fingers crossed that 2022 is not another repeat of 2020 and 2021. Do we dare even say the dreaded "C" word?

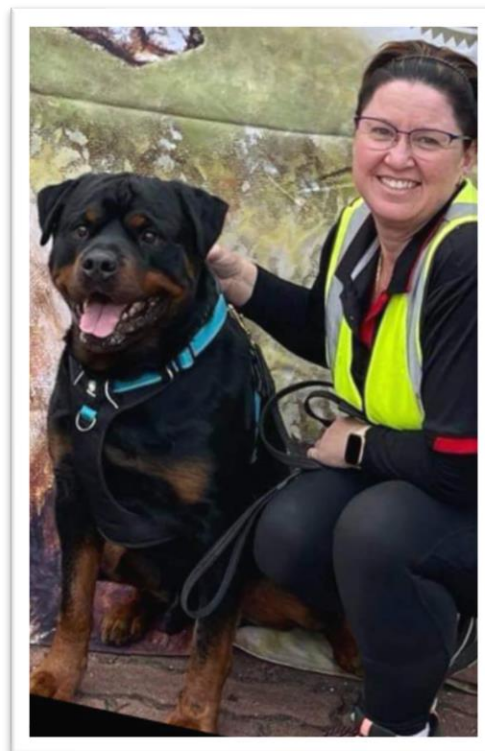

We are hoping now that COVID-19 has started to settle down, borders reopening, check-ins being removed, and restrictions lifted, that 2022 can continue to kick into full gear.

Reflecting back on 2021, and despite the dreaded lurgy, the few events that the Rottweiler Club did manage to proceed with hold were a huge success.

Two Track and Search Trials were hosted by the Club, with the second one replacing our cancelled Championship Show. Tracking was back in action in 2021 with trials being held at Monarto with many of our Club black and tans definitely doing us proud. Many awards were achieved by our very own Club members in other disciplines including confirmation, obedience, rally and tricks. Scenting has been incorporated into an ANKC as a recognised sport, and we'll provide some more detail on this in future issues.

Our AGM was held on the 25th November 2021 and I want to thank all the members that attended and participated. We welcome all members to attend and truly do appreciate the input and suggestions from everyone. The 2022 Office Bearers have been listed in this issue, along with the President's Report.

In Club business, as mentioned previously, the pandemic saw to it that the Championship Show for 2021 had to be cancelled. The Club, very quickly had to respond and we agreed to switch the event to a Track and Search Trial and this was held on the 9th and 10th of October, 2021. It was the last Track and Search trial of the year and it did not disappoint with many taking the opportunity to gain titles. As a Club we were more than happy to hold a second trial, however, our preference is to always hold the Championship Show. I think it's safe to say that the Club and any Rottweiler enthusiast is looking forward to the return of the RCSA Champ Show. With restrictions continuing to ease, we are optimistic that the 2022 Champ Show will go ahead.

On behalf of the Club, I would like to take the opportunity to sincerely thank the Judges, the Stewards, the helpers (many not even competing), competitors, friends and family who support our sponsored Trials and Events. Any contribution, whether large or small, time and resource provided, is so very much appreciated by not only RCSA, but the competitors.

Also, a shout-out to our sponsor of the Trial, Taste of the Wild, who very generously donated some amazing “doggie bags” for the event. If you would like to know more about the product, or have any other questions, please do not hesitate to contact club representative Michelle Hill on 0455 566 013.

Last but not least, 2022 kicked-off our RCSA Obedience classes on Wednesday nights. These are held at Dogs SA grounds at Kilburn. More details follow in this issue.

With 2022 very quickly heading into full swing, we welcome any suggestions and content that you’d like to see included in future editions of the Rottweiler Review. We are slowly expanding with content that we think you may find interesting, but suggestions, photos, articles are always welcome!

As always, be kind to yourself, and to be kind to one another.

Warmest wishes,

Brigetta Palmer

RCSA AGM 2021 President's Report

Well Evening All

Thank you to you all who have taken time out of your evenings to join us at the AGM, firstly I would like to thank the current committee although small we have managed to keep the Club moving forward in yet another tough COVID restricted year, Allison, Leanne, Narelle and our honorary Rottie person Linda – also Trish for helping us with the Breed Recorder paperwork.

Sadly, we had to cancel our Championship show yet again, however, thank you to the support of Tracie Edwards and Brian Fielder we were able to get it changed to another Track and Search Trial, so 2021 ended up being a year of holding two successful Track and Search trials. Its always lovely to see our beautiful breed working the streets and putting their sensors to the skill.

Congratulations to all who have achieved titles in 2021, across all disciplines and in the conformation ring.

We have seen the introduction of the BSE and look forward to that evolving over the next few years, starting of course with our Judges induction and training.

We have some exciting times ahead in 2022, Allison has been busy training Leanne and myself as support trainers for Obedience and we are hoping to commence classes in January 2022. Also, now with borders opening up let's hope we can bring back our 2022 Championship show, and fingers crossed we have an International Judge; although we need to source a new location for the event if we keep our dates the same.

We are also hoping to put together a fun day for Rottweilers alike to come and enjoy the day – we will need to work on the finer details and will share once we have them.

Thank you once again for your continue support in 2021 and we look forward to 2022 – meanwhile over the hotter period please keep your Rottweilers cool and I know they all enjoy a morning beach swim if given the opportunity 😊

Please keep safe and have a celebrative Christmas with family and friends and of course your Rottweilers

Thank you

Brigetta

Rottweiler Club of SA Track & Search Trial

Saturday 9th October and Sunday 10th October

Adelaide Suburbs

The cancellation of the RCSA Championship Show in 2021 provided an opportunity for the Club to convert its cancelled show into a Track and Search Trial which was held on Saturday October 9th and Sunday October 10th. As it was the last T&S trial held for the year, it provided an opportunity for a few competitors to convert to Titles, and they did not disappoint.

Holding a Track & Search Trial this late in the year definitely keeps us on our toes. Daylight savings pushes the Night tracks out to start generally 'not before' 7:30pm as the sun needs to set which can push the final track to not finishing until around 9:30pm! In addition, the weather can start warming up significantly at this time of the year. This affects everyone as the competitors take additional safety measures to ensure the dogs are kept out of the sun, have ample shade and airflow, and water available at all times. RCSA appreciate and acknowledge the massive effort by everyone behind the scenes to coordinate and look out for each other to ensure these events are run safely!

So a big **THANK YOU** to all!

TITLES

the Pantry

Golden Paste

1/2 cup (125 ml / 60g) turmeric powder
1 cup water (250 ml) plus extra water in reserve, if needed

1/3 cup (70 ml) coconut oil (use raw, unrefined, cold-pressed) tsp salt

OR linseed oil (flaxseed)

OR olive oil (use virgin / extra virgin)

2 - 3 teaspoons freshly cracked (ground) black pepper

Directions

🐾 Bring the turmeric and water to a boil in a saucepan, then lower heat and simmer until you have a thick paste. This should take about 7-10 minutes and you may need to add the extra water along the way for good consistency.

🐾 Add the freshly cracked (ground) pepper and oil AFTER cooking, when it has been removed from heat and cooled down (still warm to touch but not burning), about 10 minutes later.

🐾 Stir in well to mix the oil in everywhere and allow to cool again (if coconut oil is hard, it should melt in the mixture).

Note:

Do not use pre-made pepper meal (pre-ground pepper that you buy for pepper shakers). The active ingredient in black pepper (piperine) is oxidised when exposed to the air and also degraded by light, so not much is left in the pre-ground pepper purchased in the store.

Do not add honey or any sweeteners. Sugars are not necessary and they provoke inflammation.

Just starting out on feeding your dog Golden Paste?
Start with just ¼ teaspoon twice a day and gradually build up

Do you have any favourite snacks?

Feel free to email leannedunn76@gmail.com and we'll include them in our next edition.

Golden Paste continued . . .

Heard about Golden Paste and wondered what all the fuss was about?

Turmeric is a spice (golden spice) that has been used for many years to aid with natural healing for a number of ailments. It is an antioxidant and anti-inflammatory, so its range of uses can help prevent and treat diabetes, dementia, arthritis, cancer, and the list goes on and on.

The best part is that its use is not limited to humans - dogs, cats, chickens, pigs, horses, goats, birds have known to benefit from Golden Spice.

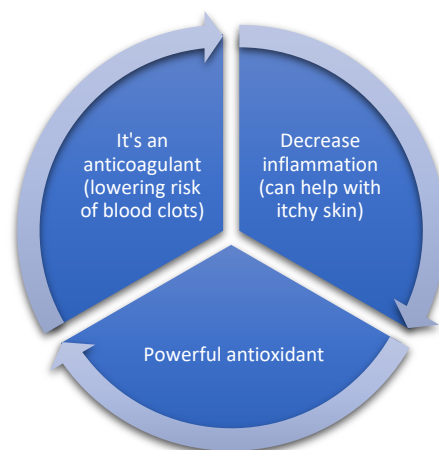

Doctor Doug English (Duggie) is an Australian vet and expert on all things Turmeric. He has been researching the health benefits associated with its use, and his website provides some amazing information including uses, benefits (the recipe above) and also includes his own products.

Head over to Duggie's website <https://www.turmericlife.com.au/> for more information.

You can even find him on Facebook and Instagram. Feel free to join his [Turmeric User Group](#) on Facebook

Turmeric can help your dog in many ways:

PLEASE NOTE: *RCSA are not sponsored by Duggie. Information provided is for your reference only. Please consult with your veterinary practitioner in the first instance if you have any health concerns about your canine.*

Congratulations & well done!

RCSA Obedience Training

As mentioned earlier, the Rottweiler Club of SA has kicked-off Obedience Training for 2022.

Allison Wells is our Head Trainer and has been a dog trainer and behaviourist for well... many years (*even before the horse and carriage was a thing*), so she brings "some" experience with her! We'll get some more info on Allison to you in upcoming issues, but you can be assured that you are in safe hands.

Although the training is being managed by the Club, we encourage everyone regardless of breed to come and try us. Large, small, young or old, fluff or no fluff, ANKC bred or rescue, we don't care! Also, feel free to recommend this to non-RCSA members.

If anyone wishes to come and try, not a problem, just send a message to the facebook group or secretary (details below) and one of our fab team will get back to you!

This training is not traditional 'dogs and humans in a line' format that is run by other obedience groups. We do not discredit other trainings groups at all. In fact, we encourage you to participate in anything dog related, a busy dog is a happy (and less destructive) dog. There are no labels here, the work you will do is specific to you and your pooch and tailored to what you want to achieve and learn.

WHEN: Wednesday evenings 7:30pm

WHERE: Dogs SA, Kilburn SA

COST: \$5 per dog/per week (*to help us pay for lights*)

\$20 RCSA annual associate membership required on-going to be covered under insurance

CONTACT:

The-Rottweiler-Club-of-South-Australia-Inc-143540505717637

NRC(A) Application for Hip & Elbow Dysplasia and Eye & Mouth Paperwork

National Rottweiler Council (Australia) Application For Hip and Elbow Dysplasia and Eye and Mouth Paperwork

Name of Rottweiler:			
Registration Number:		Date of Birth:	
Microchip Number:		Sex:	
Sire:		Reg. Number:	
Dam:		Reg. Number:	
Breeder:			

Please include a copy of registration certificate and any reports

Owner:			
Address:	State	Postcode:	
Phone:	Email:		

Please select either:

NRC(A) HD/ED Paperwork and Eye and Mouth Certificate	<input type="checkbox"/>
CHEDS paperwork and Eye and Mouth Certificate	<input type="checkbox"/>

I/We agree that these results can be published by the Rottweiler Club in our State/Territory and the National Rottweiler Council (Australia) and can be incorporated in to the National Breed Records.

Owner Signature:		Date:	
------------------	--	-------	--

Steps to follow:

Select whether NRC(A) or CHEDS paperwork will be used. Your state Breed Recorder will issue NRC(A) paperwork. ANKC members can create a pre-filled CHED Submission form by logging in with their ANKC member number and password using the login form at [Canine Health Database \(ankc.org.au\)](http://Canine Health Database (ankc.org.au)).

[Click here for instructions on creating a pre-filled CHED submission.](#) Alternatively, you can [download a blank CHED submission form](#). For an overview of the CHEDS scheme see [ankc-ltd-cheds-overview_apr16.pdf](#).

1. **Post completed Application to the Breed Recorder in your State/Territory with a copy of the Registered Pedigree and an A4 stamped self-addressed envelope for return of documents**; and a \$10.00 cheque or Direct Credit, Bank details Bendigo Bank - RCSA BSB 633-000 Account number 170756266. Please use your name as the Reference.
2. **NRC(A) ID Number is required on CHEDS Paperwork.** This can be written after the dog's name or in the top right corner of the form. Use the same number that is on the Eye/Mouth Certificates. **Ensure to include the Email address of the NRC(A) Breed Recorder alongside that of the Owner for return of results.**
3. Arrange an appointment to have your dog x-rayed. Take along the paperwork. A copy of the Pedigree is required at the Vets to confirm ID/Microchip Number. It is the Owners responsibility to ensure all details are entered and correct prior to the dog/bitch being x-rayed and to advise their Vet of the ID requirements on X-Rays.
4. **The Vet must assess the bite while the dog is awake.** Counting teeth is best done while the dog is under anaesthetic. The Hip & Elbow X-ray must be taken under General Anaesthetic.
5. The x-ray plates and all appropriate forms must be identified with the microchip number, dog's registered name, date of birth, sex, ANKC Registration Number and the individual NRC(A) Identification number. Make certain that the Vet has completed all parts of the forms he/she is required to.
6. Send X-ray and completed NRC(A) or CHEDS paperwork to the reader of your choice from the [NRC\(A\) List of Official Readers](#) together with payment of fees. Return the completed Dental and Eye Certificate to the National Breed Recorder as per the form.
7. Results from the Reader should be sent to you, your Vet and the National Breed Recorder whether NRC(A) or CHEDS paperwork is used. The State Breed Recorder will be forwarded a copy from the NRC(A) Breed Recorder. When you receive your result via email from the Reader you may forward those on to your State Breed Recorder and the NRC(A) Breed Recorder if you wish. The result will be listed in the National Hip Dysplasia Register once received by the NRC(A) Breed Recorder.

NOTE: The Hip x-ray and Dental and Eye examination can be done by any Veterinarian. It is possible to get a Specialist Eye Examination, although not compulsory.

Send completed application to
